Lectures and Speaking Engagements:

Ed has lectured and given workshops in the music business, career development and topics far afield from music including personal growth and development, career change,...

- The Kennedy Center for Performing Arts
- Mid-America Arts Alliance
- Tanglewood
- Harvard Law School
Recording Artists Project (RAP) – “provides “under-served Boston-area musicians with empowering, value-added legal counsel.”
- U-Mass Lowell

Charitable Works and time have been for numerous projects including:

- ZUMIX, Board of Directors – Boston, MA
- Jazz Foundation of America, Producer “A Song For Ann” – New York, NY Whitman-Walker Health Center Fundraiser(s) - Washington D.C.
- Project Angel Food – Los Angeles, CA

in Print...

“Consistency, dedication, passion are all key. So many factors can pull you away from consistent behavior – disappointment, exhaustion, the pains and tribulations of life. But when you can rise above those, or at least deal with them honestly, you can maintain that consistency ...”

Not satisfied to limit his creative bent to music, Ed took on the literary world in managing the projects for the psychological self-development project/trade book and academic book, respectively entitled:

- “True Coming Of Age” (McGraw-Hill, 2004)
- “The Interactive-Relational Approach to Interviewing” (Sage Publications, 1996)

Consulting

2005 – Present Columbia College Chicago
